a motorcycle safety activist is speaking out in light of the deadly motorcycle crash that claimed the life of a Kountze man Saturday evening

That is only a sliver of his former fortune, which last year reached about 35 billion.

The country’s most powerful men to his feet and, with a few deliberately spoken words, expel them from politics and end the bloody fighting on the streets of his kingdom

It’s higher than last year’s base rate of 1.05 but it’s still not that high; then again, the risk is very low as well.
